**AMENDED AND RESTATED
DECLARATION OF TRUST
FOR THE
NEW JERSEY CHARITIES POOLED TRUST**

THIS AMENDED AND RESTATED DECLARATION OF TRUST is made this 15 day of September 2010, by the Charities Pooled Trust, a Florida non-profit corporation (herein referred to as "Non-Profit"). The Non-Profit is the Declarant, Settlor and Initial Trustee of this Trust. By an agreement last signed on December 21, 2009, Charities Pooled Trust assumed management of the New Jersey Charities Pooled Trust. The purpose of this Amended and Restated Trust is to comply with current state and federal law.

ARTICLE ONE ESTABLISHING THE TRUST

SECTION 1.1 NAME OF THE TRUST

Declarant originally established a master pooled trust by Declaration of Trust called the New Jersey Charities Pooled Trust dated December 21, 2007, hereinafter referred to as the "Original Trust." By this Declaration, the Original Trust and any prior amendments thereto, is hereby amended, restated and superseded in its entirety and will hereinafter be referred to as the "Amended and Restated Trust." Any and all assets placed, held and administered in the Original Trust are now deemed to be held, administered and governed by the Amended and Restated Trust. The Amended and Restated Trust continues to be designated and called "New Jersey Charities Pooled Trust." Therefore there will be no need to reregister the assets in the Amended and Restated Trust. Also, the Amended and Restated Trust will have the same effective date of the Original Trust date of December 21, 2007. However, the terms of the Amended and Restated Trust shall control. Hereinafter, the Restated and Amended Trust will be referred to in this document for convenience purposes as the "Trust."

SECTION 1.2 TYPE OF TRUST

The Settlor hereby establishes the Trust as a discretionary master pooled self settled special needs trust pursuant to 42 U.S.C. § 1396p(d)(4)(c) in compliance with the requirements for a qualified pooled self settled special needs trust under federal and state law, which are hereby incorporated by reference into this Declaration of Trust.

SECTION 1.3 IRREVOCABILITY

This Declaration of the Trust and the Trust created herein shall be irrevocable.

SECTION 1.4 DEFINITIONS

Definitions of the terms used in this Declaration of Trust and the Trust created herein are described in alphabetical order in Section 13.13 of Article Thirteen below.

SECTION 1.5 TRUST INTENT

It is the intent of the Non-Profit, as Settlor of the Trust, to comply with all applicable federal and state laws and regulations related to and governing pooled trusts for persons with disabilities, including, but not limited to, 42 U.S.C. § 1396p(d)(4)(C).

SECTION 1.6 TRUST PURPOSE

The purpose of the Trust is to provide a discretionary, safe and effective method for disabled individuals to benefit from their assets while retaining eligibility for Government Assistance benefits. The Trust provides a discretionary, safe and effective system for the receipt, administration, management, and investment of assets held in an Individual Benefit Account (“IBA”) for each Trust Beneficiary and the discretionary disbursement of such assets for the sole benefit of such Trust Beneficiary without causing the Trust Beneficiary to lose eligibility for Government Assistance benefits.

ARTICLE TWO PARTIES

SECTION 2.1 CHARITABLE ORGANIZATION

The Non-Profit is a Florida non-profit corporation and a tax exempt charitable organization. It has established this Trust and manages it as required by applicable federal and state law.

SECTION 2.2 TAX EXEMPT

The Non-Profit has been granted tax exempt status by the Internal Revenue Service (IRS) under Internal Revenue Code (IRC) Section 501(c)(3).

SECTION 2.3 TRUSTEE

A. APPOINTMENT OF TRUSTEE

The Non-Profit shall serve as the initial Trustee of the Trust. Although the Non-Profit shall serve as the initial trustee, the Non-Profit may appoint an independent corporate trustee to serve as Trustee. If the Non-Profit appoints an independent corporate trustee as Trustee, the Trustee is acting as agent and trustee for the benefit of the Non-Profit to custody and administer trust assets contained in individual benefit accounts pursuant to instructions that are for the sole benefit of the Beneficiaries participating in the Trust and that are in accordance with the terms of the Declaration of Trust and not contrary to state or federal law. The Trustee shall be responsible for oversight for the custody, investment asset allocation model selection and disbursement of funds contributed to the Trust for each Trust Beneficiary. Any Trustee appointed by the Non-Profit shall accept the role as a Trustee in the manner provided by applicable state law.

B. REMOVAL OF TRUSTEE

The Non-Profit reserves the right to remove any Trustee and retain or engage another independent corporate trustee or appoint itself as Trustee or Successor Trustee.

SECTION 2.4 INVESTMENT ADVISOR

A. APPOINTMENT OF INVESTMENT ADVISOR

Although the Non-Profit has established and manages the Trust, the Non-Profit may retain an independent Investment Advisory Firm as the Investment Advisor responsible for the custody of the assets, risk assessment for each Trust Beneficiary, investment and asset allocation selection and management in accordance with investment objectives established for each IBA, cash management, investment performance analysis, written investment performance reports, written account statements of activities and asset values, and annual summary of account information for each IBA and Trust Beneficiary.

B. REMOVAL OF INVESTMENT ADVISOR

The Non-Profit reserves the right to remove any Investment Advisor and retain another Investment Advisory Firm or itself as Investment Advisor.

SECTION 2.5 ADMINISTRATOR

A. APPOINTMENT OF ADMINISTRATOR

Although the Non-Profit has established and manages the Trust, the Non-Profit may retain an independent administrator as Administrator to assist and support the Non-Profit's disbursement governance and administration management activities for each Trust Beneficiary and his or her Individual Benefit Account ("IBA").

B. REMOVAL OF ADMINISTRATOR

The Non-Profit reserves the right to remove any Administrator, and retain another independent administrator or itself as Administrator.

SECTION 2.6 TRUST INVESTMENT ARCHITECTURE

The Non-Profit uses specific investment platforms and asset allocation models ("Investment Vehicles") to meet the short term and long term discretionary, supplemental and special needs of each Trust Beneficiary. The Investment Vehicles have been reviewed for their appropriateness by the Trustee and Investment Advisor. The funds in a Trust Beneficiary's IBA will be invested in an Investment Vehicle appropriate for the Trust Beneficiary. The Trustee will periodically review the investments of the Investment Advisor in each asset allocation model. The Non-Profit, Trustee, Investment Advisor, and Administrator shall not be responsible for any losses or reductions in value of the assets contained in a Trust Beneficiary's IBA.

ARTICLE THREE JOINDER AGREEMENT

SECTION 3.1 EXECUTION OF JOINDER AGREEMENT

To join and benefit from this Trust, the Grantor is required to sign a Joinder Agreement. By the Grantor's execution of the Joinder Agreement, the Grantor agrees to and accepts the terms of the Trust. Any special instructions for the benefit of the Trust Beneficiary should be described in the Joinder Agreement.

SECTION 3.2 GRANTOR'S INTENT IN EXECUTING JOINDER AGREEMENT

In making contributions to the Trust, it shall not be the intention of any Grantor to displace any Government Assistance benefits that may otherwise be available to the Trust Beneficiary. It shall be the specific intention of all

Grantors to establish a discretionary, supplemental fund pursuant to 42 U.S.C. § 1396p and to limit the discretionary disbursements solely for the benefit of the Trusted Beneficiary and his or her supplemental care and supplemental needs.

SECTION 3.3 IRREVOCABILITY OF JOINDER AGREEMENT

Subject to approval by the Non-Profit and subject to the provisions of Section 3.6 below, this Trust shall be effective against a specific individual seeking to become a Trust Beneficiary upon Grantor's execution of a Joinder Agreement and contribution of property or money ("assets") to the Trust. An individual seeking to become a Trust Beneficiary shall have completed enrollment when: (1) the Joinder Agreement is approved by the Non-Profit; (2) the assets contributed to the Trust are received by the Trustee; (3) the Trustee accepts the contributed assets; and (4) the Trustee establishes or creates for the individual an Individual Benefit Account ("IBA") with the contributed assets. Upon completed enrollment, the individual enrolling and joining in the Trust becomes a Trust Beneficiary of this Trust and the following becomes effective:

- A. Joinder Agreement, Termination Agreement, and IBA created for the Trust Beneficiary shall become irrevocable as to such Grantor and Trust Beneficiary;
- B. Contributed assets shall not be refundable to the Grantor except as otherwise provided in Article Eight of the Declaration of Trust;
- C. The Trust Beneficiary if competent shall have the right to revoke or amend the final Remainder Beneficiary Designations.;
- D. Grantor and Trust Beneficiary shall have no further interest in, and do relinquish and release all right, control over, incidents of ownership and interest of any kind or nature in and to, the assets (including any and all assets subsequently contributed to the Trust Beneficiary's IBA) and the IBA said assets are contributed into; and
- E. Non-Profit shall administer the Trust Beneficiary's IBA for the sole benefit of the Trust Beneficiary in accordance with this Declaration of Trust, the Trust Beneficiary's Joinder Agreement and Termination Agreement.

SECTION 3.4 JOINDER AGREEMENT AND COURT RETAINING JURISDICTION

For an Individual Benefit Account under the continuing jurisdiction of a court, the Trust Beneficiary's Joinder Agreement and Termination Agreement will incorporate any order from such court and the terms of such order shall supersede any terms of the Joinder Agreement, Termination Agreement or Declaration of Trust that are inconsistent with such order.

SECTION 3.5 PARTICIPATION OF INDIVIDUAL NOT DETERMINED DISABLED

If the Social Security Administration or any other authorized federal or state governmental entity has not made a determination that an individual seeking to enroll as a Trust Beneficiary of this Trust is a disabled person, the Non-Profit is authorized to accept such individual as a Trust Beneficiary if the Non-Profit believes that such individual is (1) a disabled person, or (2) will be determined to be a disabled person by the appropriate federal or state governmental entity.

SECTION 3.6 STRUCTURED SETTLEMENTS

If the disabled individual named in the Joinder Agreement as the Trust Beneficiary is involved in a structured settlement, in order for the disabled individual to have completed enrollment the disabled individual must obtain, and provide to the Non-Profit and Trustee, a commutation rider providing for a lump sum payout upon the death of the Trust Beneficiary to the state or states where the trust beneficiary resided and incurred a Medicaid debt, being the first beneficiary (beneficiaries).

ARTICLE FOUR INDIVIDUAL BENEFIT ACCOUNT

SECTION 4.1 IRREVOCABLE CONTRIBUTION

The assets contributed to an Individual Benefit Account ("IBA") established herein are irrevocably assigned, transferred, conveyed and delivered to the Trustee to be used for the sole benefit of the Trust Beneficiary and as set forth in this Declaration of Trust through the Trust created herein.

SECTION 4.2 WHEN CONTRIBUTION BECOMES IRREVOCABLE

Upon delivery to and acceptance by the Trustee of the assets contributed for deposit into a Trust Beneficiary's IBA, the contributed assets shall be irrevocably contributed and non-refundable. Acceptance by the Trustee is indicated by the deposit of the contributed assets into an IBA.

SECTION 4.3 EFFECTIVE DATE OF AN INDIVIDUAL BENEFIT ACCOUNT

The effective date of a Trust Beneficiary's IBA is the date the executed Joinder Agreement is approved by the Non-Profit, subject to delivery to the Non-Profit of all Required Documents. If any Required Documents are not received by the Non-Profit, then the Non-Profit may invalidate the Joinder Agreement and not accept the contributed assets. If the Joinder Agreement is invalidated, no IBA will be established for an individual and the individual will not become a Trust Beneficiary of the Trust.

SECTION 4.4 MANAGEMENT OF INDIVIDUAL BENEFIT ACCOUNTS

Assets contributed on behalf of a Trust Beneficiary shall be invested, re-invested and administered in an IBA in the name of the Trust Beneficiary. The assets in all of the Individual Benefit Accounts may be pooled together for investment and management purposes, but each IBA will remain in a separate account. The Trustee may, in its sole and absolute discretion, disburse all or a portion of the assets in a Trust Beneficiary's IBA for the sole benefit of a Trust Beneficiary.

SECTION 4.5 EFFECT OF CONTRIBUTION

Specifically subject to and subordinate to Section 9.13 of Article Nine herein, and to the Non-Profit's and Trustee's sole and absolute discretion in making disbursements, the total disbursements made on behalf of a Trust Beneficiary shall not exceed the total of all contributions made to such Trust Beneficiary's IBA, plus any undistributed income.

SECTION 4.6 FUTURE TRANSFER OF ASSETS

Property, or interests in property, may be designated for future transfer by a Grantor as a contribution of assets to the IBA of a Trust Beneficiary. Such designated contributions may be revoked by the Grantor at any time during

that Grantor's lifetime and continued competence, provided the Grantor gives prior written notice to the Non-Profit and Trustee.

SECTION 4.7 EFFECT OF DESIGNING A FUTURE TRANSFER

The Trustee shall not consider future designations of property, as provided in Section 4.6, Article Four, of this Declaration of Trust, to be a contribution of assets to a Trust Beneficiary's IBA until such designated property has actually been contributed to the Trust and accepted by the Trustee. The Trustee shall not credit any such future designation of property to a particular Trust Beneficiary's IBA until such designated property has been accepted by the Trustee.

SECTION 4.8 IBA COUNSEL FOR AN INDIVIDUAL BENEFIT ACCOUNT

By the Grantor's execution of the Joinder Agreement and the Trust Beneficiary's completed enrollment in the Trust, the Non-Profit and Trustee are expressly authorized, in their sole and absolute discretion, to (1) retain an attorney at law as "IBA Counsel" to provide legal services as may be required or permitted in this Declaration of Trust, Joinder Agreement, or Termination Agreement, to assist the Non-Profit and Trustee in matters involving (a) the administration of the Trust Beneficiary's IBA; or (b) the court's continuing jurisdiction over a Trust Beneficiary's IBA, and (2) pay the IBA Counsel his or her reasonable attorney's fees and costs for such legal services from the Trust Beneficiary's IBA. Notwithstanding the foregoing authority, neither the Non-Profit nor Trustee is required to retain an IBA Counsel.

SECTION 4.9 DETERMINATION OF TAX STATUS OF AN IBA

Neither the Non-Profit, Trustee, Administrator nor the Investment Advisor make any claim, warranty, statement, or opinion, either expressly or impliedly, about the tax status of any Trust Beneficiary's IBA. The Non-Profit or Trustee may, but are not required to, retain an attorney at law as an IBA Counsel or other appropriate person to determine the tax status of a Trust Beneficiary's IBA. Regardless of whether or not the Non-Profit or Trustee obtain such determination, the Beneficiary Advocate should obtain independent tax advice to determine the tax status of a Trust Beneficiary's IBA.

ARTICLE FIVE BENEFICIARY ADVOCATE

SECTION 5.1 NAMING OF BENEFICIARY ADVOCATE

The Grantor shall name a Beneficiary Advocate and, if possible, a Successor Beneficiary Advocate, in the Joinder Agreement, subject to approval by the Non-Profit. The Grantor may name the Trust Beneficiary to be the Beneficiary Advocate, if legally capable or competent. If a Grantor fails to name a Beneficiary Advocate or Successor Beneficiary Advocate in the Joinder Agreement, or if the Non-Profit does not approve of the Beneficiary Advocate or Successor Beneficiary Advocate named by the Grantor, then the Non-Profit may name a Beneficiary Advocate.

SECTION 5.2 SELECTION OF THE BENEFICIARY ADVOCATE

If legally capable or competent, a Trust Beneficiary may be selected to serve as his or her own Beneficiary Advocate, subject to the approval of the Non-Profit. In certain circumstances the Non-Profit may select someone other than the Trust Beneficiary, preferably the Trust Beneficiary's Legal Representative or some other qualified person, to be the Beneficiary Advocate. A court appointed guardian or conservator of a Trust Beneficiary will be given preference to serve as a Beneficiary Advocate. By the Grantor signing the Joinder Agreement, the Grantor

authorizes the Trustee to compensate any Beneficiary Advocate selected or approved by the Non-Profit. Such compensation shall be reasonable based upon the services rendered and the reasonable costs for such services in the community where such services are rendered.

SECTION 5.3 ACCEPTANCE BY THE SELECTED BENEFICIARY ADVOCATE

Each individual selected as a Beneficiary Advocate or Successor Beneficiary Advocate, if any, shall accept such selection by executing a Beneficiary Advocate Acceptance of Duties agreement. Such agreement shall be incorporated herein.

SECTION 5.4 DUTIES OF THE BENEFICIARY ADVOCATE

The Beneficiary Advocate shall act as an agent of the Trust Beneficiary, with the same authority as an attorney in fact, or agent, or legal guardian or conservator, of the Trust Beneficiary, but with the limited additional authority to (1) obtain guidance, findings and assessments regarding the life care of the Trust Beneficiary, (2) act as requested by the Non-Profit or Trustee for the benefit of the Trust Beneficiary, or (3) receive notices from the Non-Profit or Trustee on behalf of the Trust Beneficiary. The Beneficiary Advocate shall report such guidance, findings and assessments to the Non-Profit and the Trustee. All reasonable requests made by the Non-Profit and Trustee shall be completed by the Beneficiary Advocate.

SECTION 5.5 INFORMATION PROVIDED BY BENEFICIARY ADVOCATE

The Non-Profit, Trustee, Investment Advisor or Administrator may, but are not required to, rely on the guidance, findings and assessments provided by, or actions of, the Beneficiary Advocate as if made by the Trust Beneficiary.

SECTION 5.6 REQUESTS POSSIBLY CAUSING REDUCTION OF BENEFITS

For requests for disbursements that, in the sole and absolute discretion of the Non-Profit or Trustee, may cause a reduction in the Trust Beneficiary's Government Assistance benefits, the Non-Profit or Trustee may, but are not required to, retain an attorney at law as an IBA Counsel to provide the Non-Profit and Trustee a legal opinion regarding the effect of the requested disbursement upon the Trust Beneficiary's continual eligibility for Government Assistance benefits. The Non-Profit or Trustee may request the IBA Counsel to seek a court order authorizing such disbursement from a court retaining jurisdiction over the Trust Beneficiary or his or her IBA. Notwithstanding such disbursement request, or the legal opinion of the IBA Counsel, the Trustee has sole and absolute discretion to approve or deny such disbursement request.

SECTION 5.7 REMOVAL OF THE BENEFICIARY ADVOCATE

The Non-Profit or Trustee may remove and replace a Beneficiary Advocate if the Non-Profit believes such Beneficiary Advocate is not acting in the best interest of the Trust Beneficiary. If the Trust Beneficiary's IBA is under the continuing jurisdiction of an applicable court, or if the Beneficiary Advocate is a court appointed guardian or conservator of the Trust Beneficiary, the Non-Profit may retain an attorney at law as an IBA Counsel to obtain a court order to remove and replace such Beneficiary Advocate.

ARTICLE SIX DISBURSEMENTS DURING LIFE OF TRUST BENEFICIARY

SECTION 6.1 DISCRETIONARY DISBURSEMENT GUIDELINES

A. Discretionary Disbursements for Supplemental Care or Supplemental Needs

The Trustee may, in its sole and absolute discretion, approve and disburse any amounts of principal or income, or both, up to the whole thereof, from a Trust Beneficiary's IBA for the Trust Beneficiary's supplemental care or supplemental needs that are not otherwise provided to the Trust Beneficiary through Government Assistance benefits. The Trustee shall take into account that discretionary disbursements are for the sole benefit of the Trust Beneficiary. However, the Trustee is neither obligated nor compelled to approve a disbursement request. Before any discretionary disbursement request is approved and disbursed from a Trust Beneficiary's IBA, the Trustee may consider the consequences of such disbursement on the Trust Beneficiary's eligibility for Government Assistance benefits, but is not required to do so. The Trustee may refuse any request for a disbursement from a Trust Beneficiary's IBA, including, but not limited to, disbursement requests for services that any public or private agency has the obligation to provide to such Trust Beneficiary.

B. Disbursements Not To Replace Government Assistance

No disbursement request should be approved by the Non-Profit or Trustee in excess of the resource and income limitations of any Government Assistance benefits program that the Trust Beneficiary is participating in or is eligible to receive. The Trustee shall not have to approve any disbursement request that disqualifies the Trust Beneficiary from receiving Government Assistance benefits, or supplants or replaces the Trust Beneficiary's Government Assistance benefits, unless the Trustee determines, in its sole and absolute discretion, that the advantage of such disbursement outweighs the Trust Beneficiary's loss of, or ineligibility for, Government Assistance benefits. The Non-Profit, Trustee, Administrator, Investment Advisor, and Beneficiary Advocate selected by the Non-Profit, shall not be responsible or liable, individually, jointly or severally, for any impact, effect or consequence to the Trust Beneficiary arising from the Trustee denying disbursement requests or approving and making disbursements from the Trust Beneficiary's IBA.

C. Information That May Be Taken Into Account

In approving or denying a disbursement request, or making any disbursement, the Trustee may, but is not required to, take into account the following information about a Trust Beneficiary if it is either actually known by the Trustee or actually provided by to the Trustee:

1. Other income or resources of such Trust Beneficiary that are reasonably available to such Trust Beneficiary;
2. Public or Private Benefits that the Trust Beneficiary is eligible to receive or is currently receiving; and
3. Resource and income limitations of any Government Assistance benefits program that the Trust Beneficiary is eligible to apply for or is participating in.

D. Future Needs of Trust Beneficiary May Be Taken Into Account

The Trustee may, but shall not be required to, consider the future needs of a Trust Beneficiary when approving or denying disbursement requests, and making disbursements.

E. Form of Disbursement

The Trustee, in its sole and absolute discretion, may make any disbursement from a Trust Beneficiary's IBA in the following manner: (1) directly to the Beneficiary Advocate, if the Advocate is not the Trust Beneficiary; (2) in any form allowed by law; (3) to any person deemed suitable by the Trustee; or (4) by direct payment to a third party for the expense incurred by, or service provided to, the Trust Beneficiary. The Trustee may pay directly for services or products, provided the Trust Beneficiary does not receive any asset that can be converted to cash.

F. IBA Corpus and Income Specifically Not Available

The corpus of the Individual Benefit Account ("IBA"), also known as the IBA's principal, and income accumulated in an IBA, are specifically not available to any Trust Beneficiary except to the extent of disbursements made by the Trustee for the sole benefit of a Trust Beneficiary.

G. Notice Regarding Government Assistance Benefits

The Grantor, Trust Beneficiary and the Trust Beneficiary's Beneficiary Advocate shall notify the Non-Profit and Trustee whenever a Government Assistance Benefits Event occurs. A Government Assistance Benefits Event occurs whenever the Trust Beneficiary: (a) applies for Government Assistance benefits; (b) has an application for Government Assistance benefits approved or denied; or (c) has Government Assistance benefits terminated. Such notice shall be in writing, delivered by certified mail, return receipt requested, to the Non-Profit and Trustee, at the address provided for such notices in Section 7.8 of Article Seven, of the Trust Beneficiary's Joinder Agreement, or at such other address as the Non-Profit or Trustee may designate from time to time. Such notice shall be provided to the Non-Profit and Trustee within five (5) business days from the earliest date that the Grantor, Trust Beneficiary or his or her Beneficiary Advocate, knows that a Government Assistance Benefits Event has occurred. Neither the Non-Profit nor the Trustee shall be responsible or liable for any consequence to the Trust Beneficiary arising from making a disbursement decision before receiving actual notice that a Government Assistance Benefits Event occurred. After the Non-Profit and Trustee actually receive notice that a Government Assistance Benefits Event occurred, all disbursement request decisions by the Trustee shall be subject to this Section 6.1, Article Six of this Declaration of Trust.

H. No Liability for Disbursements

The Non-Profit, the Trustee, the Administrator, the Investment Advisor, and Beneficiary Advocate selected by the Non-Profit, shall not be liable, individually, jointly or severally, to the Grantor, Trust Beneficiary, his or her Beneficiary Advocate, or any other third party, for any disbursement made from the Trust Beneficiary's IBA that reduces or terminates the Government Assistance benefits received by the Trust Beneficiary or makes the Trust Beneficiary ineligible for Government Assistance benefits.

I. Consequences of Past Disbursement Decisions

All past decisions about disbursement requests by the Trustee, regardless of the reason for such decisions, shall not serve, or be construed, as a pattern, precedent or past conduct, that establishes a duty upon the Trustee to continue making such decisions about disbursement requests. The Trustee is under no duty to make future disbursement decisions based upon past disbursement decisions.

SECTION 6.2 LEGAL OPINION ABOUT IMPACT OF DISBURSEMENT

If the Non-Profit or Trustee deem it necessary, the Non-Profit or Trustee may retain an attorney at law as an IBA Counsel to provide a legal opinion regarding (1) the impact or consequence of approving and making or denying any disbursement request on the Trust Beneficiary's eligibility for Government Assistance benefits; or (2) the administration of the Trust Beneficiary's IBA. Furthermore, the Trustee may request the IBA Counsel to seek an order (1) approving a disbursement decision; or (2) for any other appropriate relief regarding the administration of the Trust Beneficiary's IBA, from a court of competent jurisdiction. The Trustee is authorized to pay the IBA

Counsel's reasonable attorney fees and costs for providing such legal services from the IBA of the affected Trust Beneficiary.

SECTION 6.3 TRUSTEE'S DISCRETION FOR DISBURSEMENTS

The Trustee has sole and absolute discretion in approving or denying any disbursement request, and making a disbursement of principal or income, or both, from a Trust Beneficiary's IBA. The Trustee may allocate all disbursements between principal and income as the Trustee determines in its sole and absolute discretion. The Trustee is neither obligated nor compelled to approve or deny a disbursement request or make a disbursement. The judgment of any other person or entity shall not be substituted for the judgment of the Trustee in its exercise of discretion in approving or denying a disbursement request or in making a disbursement.

SECTION 6.4 SCOPE OF TRUST BENEFICIARY'S INTERESTS

The Trust Beneficiary's IBA shall only for the sole benefit of the trust beneficiary and the trustee has full and absolute discretion to use any amount or all of the principal of the IBA for the approved purposes and the support of the trust beneficiary. This includes the right of the trustee to exhaust all principal for this purpose. However, in determining a Trust Beneficiary's eligibility for any Government Assistance benefits, no part of the principal or undistributed income from the Trust Beneficiary's IBA shall be considered available to the Trust Beneficiary.

SECTION 6.5 TRUST NOT LIABLE FOR FAILING TO IDENTIFY RESOURCES

The Non-Profit, Trustee, Investment Advisor, Administrator, and Beneficiary Advocate selected by the Non-Profit, shall not be liable, individually, jointly or severally, to any Trust Beneficiary or any other third party, for failing to identify any program or resource available to such Trust Beneficiary because of his or her disabilities. As evidenced by the execution of the Joinder Agreement, the Grantor, Trust Beneficiary and, if selected by the Grantor, the Beneficiary Advocate and Successor Beneficiary Advocate, as appropriate, recognize, understand and acknowledge the uncertainty and changing nature of the guidelines, laws and regulations pertaining to Government Assistance benefits and agree that the Non-Profit, Trustee, Investment Advisor, Administrator, and Beneficiary Advocate or the Successor Beneficiary Advocate, appointed by the Non-Profit, if applicable, shall not be responsible or liable, individually, jointly or severally, for causing a period of disqualification or ineligibility for Government Assistance benefits for a Trust Beneficiary. In addition, the Non-Profit, Trustee, Investment Advisor, Administrator, and Beneficiary Advocate appointed by the Non-Profit, if applicable, shall not in any event be liable, individually, jointly or severally, for any loss of benefits by a Trust Beneficiary as long as they, individually, jointly or severally, acted in good faith. It remains the responsibility of the Grantor and Trust Beneficiary, and Beneficiary Advocate selected by either of them, to: (1) seek out and apply for appropriate Government Assistance benefits; and (2) provide all proper documentation and information necessary and required to qualify the Trust Beneficiary, and maintain the Trust Beneficiary qualified, for any such Government Assistance benefits.

ARTICLE SEVEN DISTRIBUTION AFTER DEATH OF TRUST BENEFICIARY

SECTION 7.1 VERIFYING DEATH, DETERMINING REMAINDER AMOUNT AND TRUST REMAINDER SHARE

The death of a Trust Beneficiary shall be verified by the Beneficiary Advocate, family member of Beneficiary, or other third party not a Qualified Person, delivering a notice of the death of a Trust Beneficiary accompanied by an original certified copy of the Trust Beneficiary's death certificate, to the Non-Profit and Trustee. Upon the Non-Profit and Trustee verifying the Trust Beneficiary's death, the Trustee, in its sole and absolute discretion, and in accordance with the provisions in the Trust Beneficiary's Termination Agreement, shall determine the amount of

assets remaining in the Trust Beneficiary's IBA (the "Remainder Amount"). After determining the Remainder Amount, the Trustee shall determine, in accordance with the provisions of the Trust Beneficiary's Termination Agreement, the Trust's share of the Remainder Amount ("Trust Remainder Share").

SECTION 7.2 DETERMINATION OF STATE REIMBURSEMENT CLAIM

The Beneficiary Counsel retained by the Trust Beneficiary shall determine the amount of the State Reimbursement Amount ("Payback Amount") for claims received from state agencies, as required by federal laws related to 42 U.S.C. § 1396p and/or 42 U.S.C. § 1382b(e)(5) and any applicable New Jersey state law. The Beneficiary Counsel shall issue notice of the termination of the Trust Beneficiary's IBA to all appropriate state and federal agencies, within the time period provided by law. The Beneficiary Counsel shall provide the Non-Profit and Trustee with a written assessment ("Payback Determination Assessment") stating the nature and amount of the Payback Amount, and the priority, if any, for paying multiple state claims. If there is no Beneficiary Counsel or the Beneficiary Counsel does not provide the Non-Profit and Trustee with a Payback Determination Assessment to the satisfaction of the Trustee, the Non-Profit or Trustee may, although neither is required to, retain a duly licensed attorney at law as an IBA Counsel to provide a Payback Determination Assessment. The Trustee has sole and absolute discretion to pay the Beneficiary Counsel and the IBA Counsel, his or her reasonable attorney's fees and costs directly from the Trust Beneficiary's IBA. If the Trustee is provided with a Payback Determination Assessment that, in the Trustee's sole and absolute discretion, (1) is not to the satisfaction of the Trustee; or (2) does not adequately identify the priority of payment for state claims, including multiple state claims, the Trustee may have the state claims, including multiple state claims, prorated and paid pro rata to the extent assets remain in the Trust Beneficiary's IBA after the Trust Remainder Share is distributed to the Trust Operating Account. The Trustee has sole and absolute discretion to rely on or ignore any Payback Determination Assessment regarding any State Claims or State Claims Information provided to the Trustee or Non-Profit by any Beneficiary Counsel, or IBA Counsel. The Payback Amount shall consist of only those Government Assistance benefits paid to or on behalf of the Trust Beneficiary as provided by applicable state or federal laws.

SECTION 7.3 TRUST REMAINDER SHARE

The Trustee shall distribute the Trust Remainder Share into the Trust Operating Account. The Non-Profit, in its sole and absolute discretion, shall use the Trust Remainder Share distributed into the Trust Operating Account to pay administrative cost of the Non-Profit in administering pooled trusts or for the direct or indirect benefit of other Trust Beneficiaries.

SECTION 7.4 ADMINISTRATIVE EXPENSES AND PAYBACK AMOUNT

After the death of the Trust Beneficiary, and after the satisfaction of the Medicaid payback amount with verification in writing, certain administrative expenses ("Payable Administrative Expenses") shall be distributed by the Trustee as provided in the Trust Beneficiary's Termination Agreement from assets remaining, if any, in the Trust Beneficiary's IBA. Then, to the extent possible, as provided below in this Section 7.4, and subject to Section 7.8 below and the Termination Agreement, the Trustee shall distribute the Payback Amount, if any.

A. Payable Administrative Expenses

Unless applicable federal and state laws and regulations provide otherwise, the Trustee may distribute the following Payable Administrative Expenses before distributing the Payback Amount: (1) taxes due to the state or federal governments because of the death of the Trust Beneficiary; only to the extent attributable to the investment of the Trust Beneficiaries IBA; (2) reasonable fees, including reasonable attorneys' fees, and costs for the administration of the Trust Beneficiary's estate, including, but not limited to, preparing accountings of the Trust Beneficiary's estate and filing them with the appropriate

court, completing and filing appropriate pleadings and documents, or performing other actions necessary for terminating and winding up the Trust Beneficiary's estate; or (3) the expenses, including reasonable attorneys' fees for the Beneficiary Counsel and IBA Counsel, for determining the state reimbursement claims and Payback Amount as set forth above in Section 7.2, Article Seven, below in Paragraph A., Section 8.2, Article Eight, of this Declaration of Trust, and in the Termination Agreement.

B. Administrative Expenses Not Payable Before Payback Amount

The Trustee shall not pay any of the following administrative expenses from assets remaining, if any, in the Trust Beneficiary's IBA before using such assets to pay the Payback Amount: (1) unpaid funeral expenses of the Trust Beneficiary; (2) debts owed by the Trust Beneficiary to third parties; and (3) testamentary bequests to any Final Remainder Beneficiaries as may be provided in the Termination Agreement.

C. Distribution of the Payback Amount

The Medicaid payback amount incurred by the Trust Beneficiary in one or more states must be paid back only after written verification of the amount after using the IBA funds to pay any administrative expenses listed in Section 7.4(A) and prior to paying any of the other beneficiaries' liabilities. After the Medicaid payback has been made, then the Trustee has absolute discretion to prioritize distributions of IBA assets according to the written and verified beneficiary's liabilities.

SECTION 7.5 DISTRIBUTIONS AFTER PAYING PAYBACK AMOUNT

After the payment, if any, of the Payback Amount and before distributing remaining assets, if any, to the Final Remainder Beneficiaries as provided in the Trust Beneficiary's Termination Agreement, the Trustee may make the following distributions from such remaining assets, but subject to Sections 7.6 and 7.8 below:

A. Distribution of Amount Owed to Trust, for Funeral Expenses, or Third Parties

The Trustee may distribute assets to pay any amounts appropriately owed: (1) to the Trust; (2) for the Trust Beneficiary's funeral expenses; and (3) to third parties, respectively, in such order as the Trustee may decide in its sole and absolute discretion.

B. Using Applicable Probate Claim Procedure

The Non-Profit or the Trustee may use assets in the Trust Beneficiary's IBA to retain an attorney at law as an IBA Counsel and pay the IBA Counsel to use any applicable state probate court claims procedure to assure payment, resolution, termination and release of outstanding claims against the Trust Beneficiary's IBA.

C. Notification of Outstanding Creditors

The Beneficiary Advocate has the responsibility of notifying the Non-Profit and Trustee of any outstanding creditors of the Trust Beneficiary so said creditors can be notified and appropriate procedures used in accordance with applicable state law.

D. Involvement by Non-Profit or Trustee

If it becomes necessary for the Non-Profit or Trustee to become involved in any state probate court claims procedures, the Non-Profit and Trustee may charge an additional fee and be reimbursed expenses, both to be paid from the Trust Beneficiary's IBA. If there are insufficient assets remaining in the Trust Beneficiary's IBA to pay such additional fees and reimburse such additional expenses, neither the Non-Profit nor the Trustee is obligated to become involved in such state probate court claims procedures, and may refrain from doing so without liability to any party, including the Trust Beneficiary, for not taking such action.

E. Distributions to Final Remainder Beneficiaries

After the distributions provided above in Sections 7.1, 7.3, 7.4, and Paragraph A. of Section 7.5, in Article Seven, are made, the Trustee may distribute any remaining assets in the Trust Beneficiary's IBA to the Final Remainder Beneficiaries pursuant to the Trust Beneficiary's Termination Agreement.

SECTION 7.6 FINAL REMAINDER BENEFICIARIES

If any assets remain in a decedent Trust Beneficiary's IBA after: (1) the death of a Trust Beneficiary; (2) the distribution, if any, of the Trust Remainder Share; (3) the distribution and payment of Payable Administrative Expenses; (4) the distribution and payment, if any, of the Payback Amount; and (5) the distribution and payment of expenses described in Section 7.5, Article Seven, above, the Trustee may distribute any remaining assets to Final Remainder Beneficiaries as provided in the Trust Beneficiary's Termination Agreement.

SECTION 7.7 NO LIABILITY FOR UNPAID CLAIMS

The Trustee and the Non-Profit shall not be liable to the Grantor, Trust Beneficiary, his or her Beneficiary Advocate, or any other third party, for any governmental or third party claims that remain unpaid because: (1) the claims were not provided to the Non-Profit and Trustee; (2) the claims were unknown to the Non-Profit and Trustee; or (3) there were insufficient assets remaining in the Trust Beneficiary's IBA to pay such claims. The Trustee and the Non-Profit shall not be liable to the Grantor, Trust Beneficiary, his or her Beneficiary Advocate, or any other third party, for any governmental or third party claims remaining unpaid especially after: (1) disbursements have been made, if at all, to the Final Remainder Beneficiaries; or (2) there are no assets remaining in a Trust Beneficiary's IBA.

**ARTICLE EIGHT TERMINATION DURING LIFETIME OF TRUST
BENEFICIARY**

SECTION 8.1 TERMINATION OF TRUST

Every reasonable attempt will be made to continue the Trust on behalf of a Trust Beneficiary for the purposes for which the Trust was established. However, the Non Profit does not and cannot know how future developments in the law, including administrative agency and judicial decisions, or how the conduct of a Trust Beneficiary or his or her Beneficiary Advocate, may affect the Trust or the administration of the Trust Beneficiary's IBA.

SECTION 8.2 TERMINATION OF TRUST BENEFICIARY'S IBA

A Trust Beneficiary's IBA may be terminated by the Non Profit and Directed Trustee, if in their sole and absolute discretion, either has reasonable cause to believe that (1) the assets contained in a Trust Beneficiary's IBA are or will become available or liable for the Trust Beneficiary's basic maintenance, support or care that is or would otherwise be provided to such Trust Beneficiary by Government Assistance benefits; (2) the Trust has become impossible or impracticable to administer; or (3) there is no further need to continue to administer the Trust. Under such circumstance, the Directed Trustee, with the consent of the Non Profit, shall take the following action:

A. Determine the State Reimbursement Amount

The Beneficiary Counsel retained by the Trust Beneficiary shall determine the amount of the State Reimbursement Amount ("Payback Amount") for claims received from state agencies, as required by federal laws related to 42 U.S.C. § 1396p and/or 42 U.S.C. § 1382b(e)(5) and New Jersey state laws.. The Beneficiary Counsel shall issue notice of the termination of the Trust Beneficiary's IBA to all appropriate

agencies, within the time period provided by law. The Beneficiary Counsel shall provide the Non-Profit and Trustee with a written assessment ("Payback Determination Assessment") stating the nature and amount of the Payback Amount, and the priority, if any, for paying multiple state claims. If there is no Beneficiary Counsel or the Beneficiary Counsel does not provide the Non-Profit and Trustee with a Payback Determination Assessment to the satisfaction of the Trustee, the Non-Profit or Trustee may, although neither is required to, retain a duly licensed attorney at law as an IBA Counsel to provide a Payback Determination Assessment. The Trustee has sole and absolute discretion to pay the Beneficiary Counsel and the IBA Counsel, his or her reasonable attorney's fees and costs directly from the Trust Beneficiary's IBA. If the Trustee is provided with a Payback Determination Assessment that, in the Trustee's sole and absolute discretion, (1) is not to the satisfaction of the Trustee; or (2) does not adequately identify the priority of payment for state claims, including multiple state claims, the Trustee may have the state claims, including multiple state claims, prorated and paid pro rata to the extent assets remain in the Trust Beneficiary's IBA after the Trust Remainder Share is distributed to the Trust Operating Account. The Trustee has sole and absolute discretion to rely on or ignore any Payback Determination Assessment regarding any State Claims or State Claims Information provided to the Trustee or Non-Profit by any Beneficiary Counsel, or IBA Counsel. The Payback Amount shall consist of only those Government Assistance benefits paid to or on behalf of the Trust Beneficiary as provided by applicable state or federal laws.

B. Pay Payable Administrative Expenses

The Trustee shall pay certain administrative expenses ("Payable Administrative Expenses") from the Remainder Amount, if any, remaining in the Trust Beneficiary's IBA before paying the Payback Amount.

1. Distribution of Payable Administrative Expenses

Unless applicable federal and state laws and regulations provide otherwise, the Trustee may distribute the following Payable Administrative Expenses before distributing the Payback Amount: (1) taxes due to the State or federal governments because of the death of the Trust Beneficiary; (2) reasonable fees, including reasonable attorneys' fees, and costs, for the administration of the Trust Beneficiary's estate, including, but not limited to, preparing accountings of the Trust Beneficiary's estate and filing them with the appropriate court, completing and filing appropriate pleadings and documents, or performing other actions necessary for terminating and settling the Trust Beneficiary's trust estate or IBA; (3) the administration fee for trust termination or transfer as stated in Section 6.0 of this Termination Agreement; or (4) the expenses, including reasonable attorneys' fees for the Beneficiary Counsel and IBA Counsel, for determining the state reimbursement claims and Payback Amount.

2. Administrative Expenses Not Payable Before the Payback Amount

The Trustee shall not pay any of the following administrative expenses from assets remaining, if any, in the Trust Beneficiary's IBA before using such assets to pay the Payback Amount: (1) unpaid funeral expenses of the Trust Beneficiary; (2) debts owed by the Trust Beneficiary to third parties; and (3) testamentary bequests to any Final Remainder Beneficiaries as may be provided herein.

C. Pay the Payback Amount

The Trustee will use the assets remaining in the Trust Beneficiary's IBA to pay the Payback Amount to the appropriate state agencies after the payment of Payable Administrative Expenses.

D. Distributions after Paying the Payback Amount

After the Payback Amount has been paid, if there are any assets remaining in the Remainder Amount, the Trustee shall pay all remaining assets to the Trust Beneficiary.

ARTICLE NINE IBA ADMINISTRATIVE PROVISIONS

SECTION 9.1 TRUST BENEFICIARY INDIVIDUAL BENEFIT ACCOUNT

A separate Individual Benefit Account (“IBA”) shall be established, administered and maintained for the sole benefit of each Trust Beneficiary enrolled in the Trust. However, for purposes of investment and management of assets contained in each IBA, the Trustee may pool all of the assets contained in the IBAs for investment and management purposes while separately administering and maintaining each Trust Beneficiary’s IBA. The Trustee or Investment Advisor shall maintain records showing the increases and decreases in value of each Trust Beneficiary IBA. The Trustee shall maintain records showing the assets contributed or disbursed from each Trust Beneficiary’s IBA.

SECTION 9.2 FEES AND EXPENSES

The fees and expenses for enrolling a Trust Beneficiary and creating an IBA for the Trust Beneficiary (“Enrollment Fee”), and for annually administering and maintaining each Trust Beneficiary’s IBA (“Annual Administration Fee”) shall be initially assessed in accordance with the written fee schedule for the Non-Profit in effect at the time the Trust Beneficiary completes enrollment. All subsequent assessments of the Annual Administration Fee and Termination Fee, if any, shall be assessed in accordance with the written fee schedule in effect at the time the Annual Administration Fee or Termination Fee are assessed. The Trust Beneficiary may be assessed other fees and expenses (“Other Fees”) as provided in the Declaration of Trust, Joinder Agreement, Termination Agreement, Participant Fee Agreement, or other enrollment agreements or documents. The Non-Profit and Trustee may adjust the Enrollment Fee schedule, Annual Administration Fee schedule, Termination Fee schedule or the Other Fees schedule from time to time. All assessed fees, including the Enrollment Fee, Annual Administration Fee, Termination Fee, and Other Fees shall be collected from the Trust Beneficiary’s IBA and disbursed or distributed by the Trustee as appropriate.

SECTION 9.3 INITIAL IBA VALUATION AND VALUATION DATE

The initial IBA valuation shall occur on the month in which the Trust Beneficiary’s IBA is initially fund with contributed assets. The initial IBA valuation shall be the amount of assets contributed to initially fund the Trust Beneficiary’s IBA. The date in which the Trust Beneficiary’s IBA is initially funded shall be the initial valuation date. The month in which the initial valuation date occurs shall be the initial valuation month.

SECTION 9.4 ANNUAL VALUATION

The annual valuation date shall be the annual anniversary of the initial valuation month. The annual IBA valuation used to determine the Annual Administration Fee shall be the value of the account balance in the Trust Beneficiary’s IBA on the annual valuation month or the highest account balance in the Trust Beneficiary’s IBA during the prior year, whichever account balance is greater.

SECTION 9.5 ADJUSTMENTS TO THE VALUATION AMOUNT

Adjustments to the annual valuation amount may be made by the Non-Profit or Trustee, as either may deem necessary.

SECTION 9.6 PERIODIC REPORT

For accounting purposes, the Trust and each Trust Beneficiary's IBA thereof shall be operated on a calendar year basis. The Trustee will provide periodic reports, at least annually, to the Non-Profit and to each Trust Beneficiary, or to his or her Beneficiary Advocate if designated to receive such periodic reports. The periodic reports shall show all receipts and disbursements to and from the Trust Beneficiary's IBA during the previous reporting period. If the Trust Beneficiary receiving the periodic reports, or his or her Beneficiary Advocate, as appropriate, desires to object to the periodic reports, the time to object ("Objection Time Period") is thirty (30) days from the date the Trust Beneficiary, or his or her Beneficiary Advocate, as appropriate, receives the periodic reports. The Trust Beneficiary's failure, or failure by his or her Beneficiary Advocate, as appropriate, to object within the Objection Time Period shall conclusively be deemed by the Non-Profit and Trustee as an acceptance by the Trust Beneficiary and his or her Beneficiary Advocate, as appropriate, of all matters and transactions set forth in the periodic reports. The Trustee and the Non-Profit may file any periodic reports, or similar report, with a court of competent jurisdiction when deemed appropriate by the Trustee or the Non-Profit. The Non-Profit and Trustee may also provide periodic reports as may be required by applicable state law.

For IBAs established by order of an New Jersey Probate Court, the Beneficiary's Counsel or Beneficiary Advocate shall render any filings including accountings required by the Order of the Court or other New Jersey Statutes. Should the Beneficiary's Counsel fail to meet the provisions of the order established by the court at the inception of the Trust Beneficiary's IBA, including but not limited to periodic court-approved accounting, the Non-Profit or Trustee may retain an attorney at law as an IBA Counsel to comply with New Jersey law. The attorney's fees and reimbursable costs of such IBA Counsel shall be chargeable directly to, and collected from, the Trust Beneficiary's IBA and paid to the IBA Counsel.

SECTION 9.7 INSPECTION OF IBA RECORDS

A Trust Beneficiary's IBA records shall be available at all reasonable times and upon reasonable prior written notice by the Trust Beneficiary delivered to the Non-Profit and Trustee. Such notice shall request an inspection of the Trust Beneficiary's IBA records. Neither the Non-Profit nor the Trustee shall be required to furnish Trust records to any individual, corporation or other entity unless ordered by a court with competent jurisdiction, except as provided in this section. Neither the Non-Profit nor the Trustee shall be required to furnish Trust Beneficiary IBA records to any individual, corporation or other entity who is not the Trust Beneficiary, his or her Beneficiary Advocate, or court retaining jurisdiction over the Trust Beneficiary or IBA. When the Trust Beneficiary, or his or her Beneficiary Advocate, provides the appropriate prior written notice or court order, the Non-Profit or the Trustee may furnish the Trust Beneficiary IBA records to any individual, corporation or other entity as so ordered. The determination by the Non-Profit and Trustee as to the sufficiency of any and all written authorizations or notices requesting inspection of a Trust Beneficiary's IBA records shall be final.

A Trust Beneficiary's IBA records may be made available for inspection to the Social Security Administration and any State department charged with overseeing pooled trusts, without the approval of the Trust Beneficiary or his or her Beneficiary Advocate for purposes of (1) establishing eligibility of the Trust Beneficiary, (2) proving the compliance of the Trust with any applicable law or regulation, or (3) as otherwise required under New Jersey law.

SECTION 9.8 PREPARATION OF TAX RETURNS AND ELECTIONS

Neither the Non-Profit nor the Trustee shall be responsible for either the preparation or filing of any tax return on behalf of any Trust Beneficiary.

A. Assistance That May Be Provided

Either the Non-Profit or Trustee may, but is not required to, provide assistance to a professional tax preparer to:

1. Prepare and file any type of tax return, tax form or tax schedule for a Trust Beneficiary;
2. Prepare fiduciary income tax returns including making any necessary or appropriate elections in connection therewith;
3. Pay a part or all of a Trust Beneficiary's income tax liability that results from income received by the Trust but properly reported on a Trust Beneficiary's income tax return. The assets used to pay any such income tax liability shall be obtained directly from a Trust Beneficiary's IBA and paid directly to the appropriate taxing authority and shall not be available to the Trust Beneficiary. A Trust Beneficiary shall not have any right or interest in any assets used from the Trust Beneficiary's IBA to pay such income tax liability.

B. Event of Tax Refund

If a Trust Beneficiary receives a tax refund, any amount refunded to such Trust Beneficiary shall be paid directly to the Trust to the extent such refund is attributable to any amount of income tax liability previously paid by the Trustee. The Non-Profit and Trustee, in their sole and absolute discretion, may deposit such refund into the Trust Beneficiary's IBA.

C. Cooperation By Or On Behalf Of Trust Beneficiary

A Trust Beneficiary, or his or her Beneficiary Advocate, shall execute all letters, powers of attorney or other documents required or requested by the taxing authority, Non-Profit, or Trustee to facilitate payment of any refund to the Trust.

SECTION 9.9 TAXES AND GRANTOR TRUST STATUS

In establishing the Trust, it is the intent of the Non-Profit and Trustee that each Trust Beneficiary's IBA be treated as a Grantor Trust for purposes of determining the Trust Beneficiary's tax liability. For the sole purpose of determining such tax liability and having each Trust Beneficiary's IBA treated as a Grantor trust, each Grantor shall have the power to reacquire trust corpus by substituting other property of an equivalent value pursuant to Section 675(4)(C) of the Internal Revenue Code. For purposes of this Section 9.9, "trust corpus" shall have the same meaning as assets in an IBA as used elsewhere throughout this Declaration of Trust. Further, nothing in this Section 9.9 shall in any way affect or modify the intent or purpose of the Trust or any of the provisions found in this Declaration of Trust.

SECTION 9.10 COSTS OF DEFENDING TRUST

Fees, costs and expenses of defending any Trust Beneficiary's IBA, including attorneys' fees incurred prior to, during, or after trial, and on appeal, against any claim, demand, legal action, equitable action, suit, or proceeding may, in the sole discretion of the Trustee, be (1) apportioned on a pro rata basis to all Individual Benefit Accounts; or (2) charged only against the Trust Beneficiary IBA that is affected by the action defended against.

SECTION 9.11 NO CLAIM ON TRUST ASSETS

This Trust shall not be reduced in value by any creditor of any Trust Beneficiary. No Trust Beneficiary IBA shall be terminated or made available to a Trust Beneficiary because a creditor of such Trust Beneficiary knows of the existence of this Trust or the assets held in the Trust Beneficiary's IBA.

SECTION 9.12 TRUST NOT A SUPPORT TRUST

This Trust is not a support trust. Assets held in Trust Beneficiary IBAs are not intended for the direct support of any Trust Beneficiaries. The Non-Profit and Trustee do not owe any obligation of support to any Trust Beneficiary. No Trust Beneficiary has any right of entitlement or other property right or interest in the principal and income in his or her IBA for his or her direct support.

SECTION 9.13 ASSETS NOT SUBJECT TO CREDITORS OF TRUST BENEFICIARY

3. The Trustee may retain any property (whether or not income producing) that may be transferred to the Trust until such time as the Trustee is directed to dispose of such property. However, the Trustee shall not be required to disburse or distribute income producing property to a Trust Beneficiary if it will or may disqualify the Trust Beneficiary from receiving Government Assistance benefits;
4. The Trustee may: (a) borrow money, with the payment of no interest or such interest as the Trustee deems appropriate, for any purpose connected with the protection, preservation, improvement of the Trust, or the enhancement of benefits to the Trust Beneficiaries; or (b) encumber or obtain one or more mortgages on, or pledges of, any part or all of the property held by the Trust whenever the Trustee shall deem it appropriate;

7. The Trustee may in its sole and absolute discretion establish additional trusts or transfer a Trust Beneficiary's assets in his or her IBA to another Trust in accordance with 42 U.S.C. § 1396p (d) (4) (C), as the Trustee may deem appropriate and for the sole benefit of the Trust Beneficiary. A different trustee may be designated for this purpose.
8. The Trustee may allow temporary possession and use of available personal property held by the Trust by Trust Beneficiary or the Trust Beneficiary's care giver without requiring any payment therefore;
9. The Trustee may make adjustments between principal and income as provided under the laws of the state having jurisdiction over the Trust Beneficiary IBAs;

11. The Trustee may hold assets in nominee form, continue a business, carry out agreements, deal with other fiduciaries and deal with other business organizations in which the Trustee, Non-Profit, or Administrator may have an interest.

SECTION 10.2 ELIGIBILITY OF A TRUST BENEFICIARY

While the Non-Profit and Trustee are not required to do so, either may retain an attorney at law as an IBA Counsel, or other professional individuals or entities, to assist a Trust Beneficiary to obtain or maintain the eligibility for any and all Government Assistance benefits. The Trustee is authorized to compensate such IBA Counsel and qualified individuals or entities from the Trust Beneficiary's IBA, however, the Trustee shall not be required to do so. Neither the Non-Profit nor the Trustee shall incur any liability for any unfavorable result regarding the Trust Beneficiary's receipt of or eligibility for Government Assistance benefits.

SECTION 10.3 LIMITS OF TRUSTEE'S AUTHORITY

No authority described in this Trust or available to the Trustee pursuant to applicable law shall be construed to enable the Trustee to purchase, exchange or otherwise deal with or dispose of the assets contained in any Trust Beneficiary's IBA for less than adequate or full consideration in money or money's worth or to enable any person to borrow the assets contained in any Trust Beneficiary's IBA, directly or indirectly, without adequate interest or security.

SECTION 10.4 BOND REQUIREMENT

The Non-Profit and the Trustee are not required to furnish any bond except as may be required by applicable law. If a bond is necessary, the payment of such bond shall be a proper expense of the Trust and paid from the appropriate Trust Beneficiary's IBA.

SECTION 10.5 TRUSTEE MAY SEEK COURT ORDER

Either the Non-Profit or Trustee may retain an attorney at law as an IBA Counsel to obtain a court order on matters relating to the construction and administration of the Trust or of a Trust Beneficiary's IBA. The Trustee is authorized to pay such IBA Counsel from the Trust or from affected Trust Beneficiary IBAs, as appropriate.

SECTION 10.6 COMPENSATION

The Non-Profit, Trustee, Administrator, and Investment Advisor shall be compensated for services rendered and reimbursed reasonable expenses incurred on behalf of the Trust or a Trust Beneficiary ("Fees") for services provided in this Declaration of Trust, Joinder Agreement and Termination Agreement. The Trustee has the authority to pay the Fees to the Non-Profit, Trustee, Administrator, and Investment Advisor directly from a Trust Beneficiary's IBA. The Non-Profit, Trustee, Administrator, and Investment Advisor, shall also be authorized to receive additional compensation for services and expenses neither contemplated by the Parties at the time the Trust Beneficiary completed enrollment nor provided for in this Declaration of Trust, Joinder Agreement or Termination Agreement. SECTION 10.7 TRUST DEFENSE COSTS AND EXPENSES

The costs and expenses of defending the Trust or Trust Beneficiary IBA from any claim, demand, legal or equitable action, suit or proceeding may, in the sole and absolute discretion of the Trustee, be: (a) charged on a pro rata basis to all Trust Beneficiary IBAs; or (b) charged only against the IBAs of the affected Trust Beneficiaries. The Trustee, in its sole and absolute discretion, shall determine whether defense costs affect a substantial number of Trust Beneficiary IBAs and warrant allocation among all Trust Beneficiary IBAs or whether the issue requiring defense of the Trust is limited to a single Trust Beneficiary's IBA or only to certain Trust Beneficiary IBAs, warranting allocation only to such Trust Beneficiary IBAs. Defense costs shall also include challenges to the validity
